Showers are open from 8:30 am – 3:00 pm daily, we provide towels and all hygiene supplies needed, and you can get your clothes washed at the same time. We also often have hospital scrubs to “loan” to people while they wash their clothes and shower so they can get everything clean and have something clean to wear while they wait. Showers are individual/private rooms and guests of the Beacon can use the room for up to 30 minutes at a time.

Shower sign-up hours: 9:00am to 2:45pm

Shower facilities are available to the public weekdays for those who are homeless. The CMC has one shower. Soap, shampoo, and towels are generally available to shower users upon request. The facilities serve as many people as possible each day during program hours. The program is first come, first served basis and can only serve a limited number of guests each day, so arriving as close to 9:00am as possible will improve guests' chances of being served. After sign-up, guests are free to leave and come back at their allotted time or to wait at the Center.
